VLAD E. WOLANYK

INTERGALACTIC SUPER HERO

Software Engineer | Experienced Advocate | Committed to Inclusive Design

I care about building software that I am genuinely invested in, to benefit people while continually learning and challenging myself. I thrive in spaces where critical analysis and creative implementation intersect. I am resourceful, versatile and bring a radically inclusive lens to everything I do.

SKILLS

- Collaborative & Multidisciplinary Teamwork
- Creative Problem Solving

Mediation, Crisis Intervention, Anti-Oppression

FUN FACTS

- I am a bit of cinephile and a couple of my own short films have screened at festivals around the world
- I love outdoor adventures and go on at least one backcountry canoe trip every year
  (A few years ago I did an 11 day trip down the Yukon river)
- I recently sold my motorcycle but have been riding since I was a teenager
- I have been an active member of the queer and trans communities for many years through my work, art and activism.
